

In an effort to help the environment and our customers just like you, WEGMANN automotive USA Inc. presents the Hassle-Free Recycle Program. If you are a current customer we can now extend our used wheel weight recycling program to you at absolutely no out-of-pocket expense. Regardless of whether you buy zinc, steel or lead wheel weights from us, we will accept your returns even if they are not pre-sorted! Make a choice that is better for you and the environment.

HOW DOES IT WORK?
